## AGED PATINA FINISH

AGED PATINA IS THE FINISH OF CHOICE WHEN HARMONY WITH THE SURROUNDING ENVIRONMENT IS PARAMOUNT.

Aged Patina provides an eco friendly, low maintenance solution, resulting in a stunning look. It creates a unique and personalised history signature and bespoke natural charm.

Growing in popularity, Recycled Timbers Aged Patina finish is in high demand across retail and commercial fitouts.

Ideal for a range of applications including outdoor developments, beachside projects, architectural and feature timber designs. The natural weathered look is incredibly versatile.

Selecting the appropriate finish to best suit your project is essential. Talk to the team at Recycled Timbers today about our diverse range of timber finishes.
