

PRIMA^α WeatherClad

VER: 1.0

PRIMA^α WeatherClad is an eco-friendly aesthetically pleasing fibre cement wall cladding that is strong, pre-primed and designed for external use. PRIMA^α WeatherClad will help you create a stunning exterior for your home.

What is PRIMA^α WeatherClad designed for?

PRIMA^α WeatherClad is a nailable, pre-primed cladding. Featuring a tongue and groove jointing system with a bevelled top edge to allow for quick and easy installation. The smooth surface area provides deep shadow lines perfect for both modern and classic architecture.
